Annual Shoot Saturday, Dec. 18th

The Shoot was held at the Ranges and
 the weather was excellent

There were 28 members present and
 one honorary member, also one guest, R.D.
 M.S. D. Green.

The absentees were: J. Steele (in the hospital)
 E. Philip and C. Collett (working, but who both
 sent their dues) and W. Taylor and G. Morrish,
 neither of whom sent any reason for their absence

At the dinner we were honored by the
 presence of Lt. Col. Barnard.

The various members, who had been
 detailed for the various duties in connection
 with the Shoot did their work well, and
 I think that with the exception of the high
 price we had to pay for the Powl, there
 was no cause for complaint.

The dinner, provided by the High-Cook, a
 Lorem. ~~was very~~ and his staff was one at
 which everyone proved themselves to be
 valiant trenchermen.

Two matches were fired during the
 afternoon. E. Cook and G. Bull being the

winners and the order in which the rest took their chickens, was decided by their total scores in both matches.

Then of course there was the usual fireside game going on all afternoon. And the lay from it added materially to the flower fund.

After considerable discussion by your committee it was decided to assess the members \$5.75 to cover the cost, owing to the great increase in the price we had to pay for the fowl. Also the four extra chickens were raffled off, together with two jars of frozen fruit donated by J. Burgess. This straightened up our finances for the year.

After the dinner there was the usual talk regarding things in general, as well as having H. C. Barnard say a few words to us.

The Secretary was also instructed to write to W. Dwyer and C. Morrish and ask them if they wished to continue as members, and if so, to forward their dues for 1948. Failure on their part

to do so would mean their being struck off the list as members of the Club.

The following were elected to serve for 1948:

President — W. Coomber

Vice-President — J. Power

Sec. Treasurer — D. Atkins

Committee — Messrs. Score, Payne,

Cullington, Hartnell, G. Philip & Macdonald.

High Cockalorum — W. Gildner.

Then the tables were cleaned and there was the usual game of Progressive Euchre, after which the Fowl was given out in the order of their scores, as well as to the winners in the Draw and everyone left for home. E. Payne volunteered to take a chicken to J. Steele who was in hospital.
