

THE RIFLES REPORT

Monthly Update

November 2021

COMMANDING OFFICER'S UPDATE

The Queen's Own Rifles of Canada had a productive month of October. The focus was on preparing for Exercise Maroon Sword 2, that took place over the weekend of 24-26 October 2021 at the 4th Division Training Centre in Meaford and CFB Borden. The intent of the exercise was to complete the Battle Task Standards for Live Fire Section Level Offensive Operations and Individual Battle Task Standards (IBTS). We also conducted a parachute descent into CFB Borden. We used Lake Simcoe Regional Airport as our airhead to board a CC-130J Hercules, and conducted a ramp jump onto DZ Gorvad from 1000' AGL.

After the exercise, we focused our efforts on our Remembrance Day commemorative activities. On November 5th, 2021 the Officers Mess held their annual dinner at the Royal Canadian Military Institute (RCMI). The highlight of the evening was the recognition of Honorary Colonel MGen (Ret'd) Walter Holmes for his 5 years of service to the Regiment as Honorary Colonel. During his tenure, he always led by example and from the front. He was responsible for multiple Regimental initiatives including the creation of the 1860 Club. Later, he was presented with the fourth bar to his Canadian Forces Decoration (CD4) for over 52 years of service during our Church Parade on November 7th. This recognition was a few years late as he has accumulated 56 years of service to the Canadian Armed Forces (his biography can be found on the QOR museum [website](#)).

We also recognized former Honorary Lieutenant-Colonel Lionel Goffart with his Sterling Silver 1860 Club Pin, for being one of two Normandy-level Donors with Col (Retired) Paul Hughes as the other. During his tenure, HLCOL Goffart funded 3 trips to France. In 2014, he sponsored over 20 Riflemen to attend the 70th Anniversary of D-Day. In 2017, he sponsored 80 Riflemen to attend the 100th Anniversary of Vimy Ridge, and in 2019 he sponsored 35 Riflemen to attend the 75th Anniversary of D-Day. LCol Goffart also paid a major role in funding the Battle Honours at Moss Park Armoury and regularly funded Junior Officer attendance at the Garrison Ball and other Regimental events.

On Sunday, November 7th we conducted our Annual Church Parade at the Cross of Sacrifice at St Paul's Cathedral, to pay respect to the Regiment's Fallen. This was a positive change from last year, when we were not able to conduct the Parade. This year we had a good turnout from the Regiment and Regimental Family.

Finally, we are pleased to report that the 1860 Club is exceeding expectations with nearly 300 members and 70 Founders. We look forward to a formal 1860 Club Dinner on **June 6th, 2022**. A reminder that the opportunity to become a founding member will end on December 31st, 2021; to learn more on becoming a Founder, please visit <https://1860club.ca-founders>.

CANADIAN VETERANS—WHO ARE WE?

This piece was written by Sgt Ralph Schoenig, a former member of The Queen's Own Rifles of Canada and the Association.

He passed away due to cancer this past year.

We walk among you each and every day, not just on Remembrance Day or D-Day, you know who some of us are, you don't know just how many of us there are

We are your mothers, fathers, grandmothers, grandfathers, sisters, brothers, aunts, uncles, nieces, nephews, cousins, friends, co-workers, doctors, bus drivers, factory workers, Members of Parliament, farmers, fishermen, police officers, fire fighters, retail clerks, your employers, and employees.

We are men and women, all different ages, from many different times and eras.

We are French, English, First Nations, German, Italian, Chinese, Asian, and Arabic, many different colours, many different religions, many different histories, many different languages, many different abilities, we are hail and hearty, we are sick, some of us are strong, some of us are broken, some of us are remembered, many of us are forgotten, some of us live in beautiful homes, some of us are homeless, we are surrounded with family and friends, we are alone, we are outspoken, we are soft spoken.

We have had different military experiences, served in different capacities, served for different lengths of time, served around the world, many have never left Canada, we have served on the land, on, and under the sea, and in the air, many have medals that you can see, however thousands upon thousands have none to wear.

We are peacekeepers, peacemakers, and we are all warriors, and every veteran has been prepared to pay the ultimate sacrifice for your freedom, for our freedom, for freedom of others around the world, and for peace.

We would have stood in front of you to keep you safe, and if our country Canada was threatened today, would we step up again? In a heartbeat!

Remember even if you don't see us, we walk among you every day.

We are simple, ordinary people, who were honoured to wear "CANADA" on our shoulders, we are Canadians, we are your Veterans of Canada.

Thank you Canada, you are worth the service and sacrifice.

By Ralph Schoenig

QOR ASSOCIATION UPDATE

Master Warrant Officer (Retired) OB (Gord) Hryhoryshen, CD

We have lost another fine member of our Association. Gord was instrumental in the startup of the QOR of C VIB Association, and remained a strong member right up until his death this past April. Sergeant-Major Hryhoryshen joined the Army Cadets in 1948 at the age of 18, followed by the RCA Militia in 1950, and then moved into the Regular Forces where he served with the Regina Rifles, the QOR of C (First and Second Battalions), PPCLI, and 3 Mech CDO. His military career included service in Korea, Cyprus and Germany. His full obituary can be found [here](#). We will miss his guidance and leadership.

The Queen's Own Rifles of Canada Regimental Museum

With Halloween just past, it may or may not be a good time to highlight the self-directed cemetery walking “tours” that the museum has created over the past several years which lead you to the graves of former members of the regiment. Most of the tour “stops” have photos of the member and their markers as well as background on their service

We started with Necropolis (15 graves) and St James (46) cemeteries downtown and have recently added Prospect (4) in the west end, and Mt Pleasant (44) in mid-town. And with the assistance of the QOR’s 2881 Cadet Corps, we are making a start on Pine Hills cemetery in Scarborough. Those we’ve identified range from a 19-year-old Rifleman who died in a ship fire in April 1866 to Fenian Raid casualties, Bugle Majors, Regimental-Sergeants Major, Commanding Officers and Generals, and everyone in between. Some stops are also family memorials that include the names of those that are actually buried overseas.

Since our usually Remembrance Ceremonies are again somewhat restricted this year, on November 6, 7 or 11, we encourage each of you to visit some graves of those who have gone before us and help keep alive the memory of their service. You can find all our Toronto and Ontario listings, and links to the Google maps tours on our [Ontario Cemeteries](#) page.
