Dear Captain Cough,
It was very nice
hearing from you (not to mention
the parcel of gifts) but we were
all really hoping to see you
or a party from the Z.O.R.
Mess up the dinner — however
I expect you are not within
calling distance.

What a lovely time
you must have had with your
party for 300 — but what
masses of food they must have
put away at the party.

Thank you so
